

**Automatically Alert Your Patients To Keep Them  
On Time While Keeping Your Staff Aware of Arrivals**

# **Geolocation Arrival Tracking**

**Notify Patients When  
They Should Leave  
For Their  
Appointment Based  
on Traffic Patterns**

**Instantly Provide  
Directions to Patients  
Who Arrive at Wrong  
Office For Their  
Appointment**

**Greet Patients By  
Name and Improve  
Patient Experience  
with Arrival Alerts for  
Your Staff**

**More Time For Patients. More Time With Patients.
